

**M**OST mighty Lord God, who  
 art our Castle, and our delive-  
 rer, our defender in whom we  
 trust: save we humbly beseech  
 thee, the Cities now distressed  
 by the Rebells Forces; give  
 them Courage and Fidelity, blesse their Counsells,  
 prosper their Enterprises, and so supply all their  
 wants, by thine infinite fullnesse, that their Assail-  
 ants may returne back with losse and shame, and  
 that they, and we may therefore praise thy Name,  
 through Jesus Christ our Lord, AMEN.
